

Special Olympics Class A Volunteers/Coaches:

In adherence to new policies sent to us by Special Olympics International- anyone completing a CLASS A Coach/Chaperone form must also complete the new PROTECTIVE BEHAVIORS course and pass a 10 question test. It is very simple if done on the internet and the whole thing should take no longer than 10-15 minutes.

Go to www.specialolympics.org/protectivebehaviors

You will be asked to proceed through 18 pages -(these are pretty short pages –so don't panic).

If you do not have internet access- please give us a call and we can send you a hard copy of the course and test.
